ALUTEC®
Leichtmetallfelgen

www.alutec.de

STYLE IN MOTION

The **ALUTEC** success story began in 1996. From the get-go **ALUTEC** was a bold brand with a large following – one that has continued to evolve at breath-taking speed, and with breath-taking success.

Today, it is one of the leading alloy-wheel manufacturers in europe. Young at heart and up-to-the-minute, the **ALUTEC** brand combines a love of great cars with an expert eye for style and elegance.

What's more, specially developed UV-resistant coatings mean we can offer a warranty of up to five years* on selected finishes.

For more information, check out **www.alutec.de**

IKENU

The angular appearance of this wheel demands attention from the first moment. The sharp edges of **IKENU**'s twin spokes create a distinct, subtly muscular look.
