

## Press release

### ALUTEC FREEZE for the Mercedes EQA

Bad Dürkheim, August 13th, 2021

**The coveted alloy wheel FREEZE from ALUTEC, a Superior Industries brand, now also has an ABE certificate for the new Mercedes EQA. The 7.5 x 18-inch version of the wheel with an offset of 45 underscores the electric vehicle's confident appearance on the road.**

FREEZE is set apart by the sophisticated combination of five powerful spokes and design elements, lending the surface, a striking linear impression that is at once sporty and dynamic. In the colors polar-silver and diamond-black, FREEZE delivers the ideal accent for all Mercedes EQA color schemes and ensures an electrifying touch.

## About Superior Industries

Superior is one of the world's leading manufacturers of aluminum wheels for light vehicles. Superior supplies aluminum wheels to well-known automotive manufacturers and is the market-leading manufacturer of aluminum wheels for the accessories market (aftermarket) in Europe.

Superior maintains the leading European aftermarket brands ATS®, RIAL®, ALUTEC®, and ANZIO®. Superior has eight production plants, which are located in the U.S., Mexico, Germany and Poland. Superior currently employs more than 7,600 people worldwide.

Headquartered in Southfield, Michigan, Superior is listed on the New York Stock Exchange. For more information, please visit [www.supind.com](http://www.supind.com).
