

**Press release**

**An Electrifying Duo**

**ALUTEC MONSTR Available for the MG EHS**

Bad Dürkheim, June 8th, 2022

**ALUTEC, a Superior Industries brand, is constantly expanding the applications for the dynamic MONSTR alloy wheel – the 8.5 x 21-inch version with an offset of 40 is precisely tailored to the MG EHS Plug-in-Hybrid.**

The sporty design of its six narrow spoke pairs makes this stylish alloy wheel a perfect match for the MG EHS. The vehicle's striking linear impression joins the expressive design language of MONSTR to deliver the highest degree of style and driving fun. Available in the colors metallic-bronze and racing-black, the alloy wheel offers plenty of design options to make the MG EHS truly one of a kind. And with the five-year warranty on MONSTR, ALUTEC guarantees driving pleasure for the long term.

## About Superior Industries

Superior is one of the world's leading manufacturers of aluminum wheels for light vehicles. Superior supplies aluminum wheels to well-known automotive manufacturers and is the market-leading manufacturer of aluminum wheels for the accessories market (aftermarket) in Europe.

Superior maintains the leading European aftermarket brands ATS®, RIAL®, ALUTEC®, and ANZIO®. Superior has eight production plants, which are located in the U.S., Mexico, Germany and Poland. Superior currently employs more than 7,600 people worldwide.

Headquartered in Southfield, Michigan, Superior is listed on the New York Stock Exchange. For more information, please visit [www.supind.com](http://www.supind.com).
